

## SAINT LOUIS CATHOLIC CHURCH

May 13, 2016, *Feast of Our Lady of Fatima*

Dear Parents and Guardians of children attending Saint Louis Atrium:

Children, who attend atrium and are preparing to receive the sacraments of first reconciliation and first communion at Saint Louis Church, need to contact the Director of Religious Education at Saint Louis Church, Stephanie Dannemiller, at [stlouisreled@gmail.com](mailto:stlouisreled@gmail.com) or (703) 765-4421. In order to receive first reconciliation and first communion with other children at Saint Louis Parish, you will need to meet the following requirements:

1. Register your child for home school CCD (Children enrolled in the atrium will be charged a sacramental preparation fee; however, their home school CCD tuition is waived.)
2. Attend a first communion retreat and/or rehearsal with other children of Saint Louis Parish.
3. Attend first communion ceremony with other children of Saint Louis Parish.
4. (optional) The child is welcome to join the CCD classes, but it is not required.

Atrium children in non-sacramental years who would like to receive credit for attending religious education at Saint Louis Parish, should fill out the CCD registration form and note on the form that they are already registered for atrium. CCD tuition is waived for children enrolled in atrium. There are several benefits for atrium children to register for CCD. First, if you move or present yourself for sacraments elsewhere, this will allow you to receive a letter verifying that you have received religious education at Saint Louis Church. Another benefit is that you will have access to all the resources and materials of the religious education staff and office available to you.

Thank you for your interest in the Atrium and religious education at Saint Louis Parish.

In Christ's peace,

Maria Blazevich
